Dirt and oil have met their match. Keep your skin in tip-top shape with our charcoal Bar Soap infused with skin-enhancing essential oils. Take advantage of skin-purifying charcoal that cleanses excess oil without stripping the necessary oils from your skin.

Young Living Essential Oils – Savvy Minerals

In case you have yet to discover, on top of a long list of many other achievements, Young Living Essential Oils makeup line! Savvy Minerals is the perfect brand of makeup if you want to feel confident both inside and out! Savvy Minerals provides peace of mind that what you're putting on your face is completely safe and organic. We deliver full-sized, high quality products to your door; which is more than any other big-name makeup company can say. All products are cruelty free as well! The Savvy Minerals line has a broad variety of products for you to choose from. I have added many of these products to my personal makeup cache. The Young Living commitment to quality shines through in this product as well. Add a few items to your order, you won't be disappointed. Here are just a few of the products offered:

Primer: There are two different primers for you to choose from, both the hydrating and mattifying primers. The hydrating primer is perfect for dry skin because it includes coconut oil and shea butter. On the other hand, if you have trouble with oily skin, try your hand at the mattifying primer. The Tea Tree and Manuka essential oils infusion helps give skin a matte finish

Brushes: Savvy Minerals brushes are high quality to say the least. Every brush is made from synthetic fibers and are optimal for applying Savvy Minerals powders. These vegan brushes are offered in...

- Contour brushes
- Bronzer brushes
- Concealer brushes
- Eyebrow brushes
- Kabuki brushes
- Eyeliner brushes

Foundations: The powder foundation is paraben, filler, and synthetic free. It also is long lasting, so no need to reapply later in the day.

Lip Products:

- *Lipstick:* Made with naturally derived ingredients, including moisturizing botanicals, this lipstick is not tested on animals. Creamy application and medium coverage.
- *Tangerine Infused Lipstick:* This lipstick has a buildable formula, tangerine infused, not tested on animals, and moisturizes your lips!
- *Cinnamint Infused Lipstick:* Infused with essential oils, this lipstick specializes in bold colors and velvety finishes! Vegan and cruelty free!
- *Lip Gloss:* Formulated without parabens, phthalates, petrochemicals, bismuth, talc, synthetic fragrances, or synthetic colorants. Infused with peppermint essential oils. Buildable sheer to medium coverage, and gives your lips a stunning pop without the sticky feeling of most lip glosses. Cruelty free!
- *Poppy Seed Lip Scrub:* Four butters (cocoa butter, mango butter, avocado butter, and shea butter) help exfoliate and moisturize your lips!

Powders:

- *MultiTasker:* Our mineral-based Savvy Minerals by Young Living MultiTasker has a fine texture that blends beautifully for a smooth, even, and buildable application. Perfect as an eyeliner, eyeshadow, or brow filler.
- *Veil:* absorbs excess oil while blurring fine lines and pores for an airbrushed look. Highlight your best features with illuminating Diamond Dust Veil, or set your makeup with a matte finish using our Matte Veil.
- *Blush:* This long-lasting blush is made with mineral-based ingredients and provides the perfect flush. The variety of colors comes in natural-looking shades and complements many different skin tones. This blush builds and blends beautifully, allowing you to create a radiant, natural-looking flush that suits your skin tone.
- *Bronzer:* Great for creating the perfect contour, with a buildable color that blends beautifully. Made with mineral-based ingredients and is ideal for sensitive skin. Whether you're using it to enhance a tan or your overall radiance, you'll be wearing your glow all day long with our long-lasting mineral bronzer.
- *Eyeliner:* Made with mineral-based ingredients and is an ideal eyeliner for sensitive skin. This eyeliner has a long-lasting, high color payoff.

Eyeshadow: These rich eyeshadows are made with a finely ground mineral base, so they have a smooth, luxurious application and high-quality ingredients. They're formulated without fillers, synthetic fragrances, or parabens.

May's Highlighted Product of the Month

Rosemary Essential Oil

Item #3626

Wholesale: \$16.00

Rosemary essential oil is steam distilled from a perennial shrub with needle-like leaves that can remain evergreen in warmer climates. The botanical, which is part of the mint family, is native to Mediterranean regions and has blue or purple flowers that give it an understated beauty. The familiar scent of Rosemary essential oil—as well as its robust, herbaceous aroma—has made it popular in aromatic and personal care products.

Medical Properties: Liver protecting, anti-inflammatory, antitumoral, antifungal, antibacterial, anticancer, antidepressant, hypertension moderator (high blood pressure), enhances mental clarity/ concentration

Aromatic: Diffuse up to 1 hour 3 times daily or directly inhale.

Topical: Dilute 1 drop essential oil with 1 drop V-6 or other pure carrier oil and apply 2-4 drops on location, chakras, and/or Vita Flex points.

Stinky Shoe Spray!

Freshen up a bit

- 2 oz distilled water
- 2 oz witch hazel
- 8 drops of Tea Tree essential oil
- 8 drops of Peppermint essential oil
- 8 drops of Lavender essential oil
- 4 oz spray bottle

Pour water and witch hazel into your bottle using a small funnel or measuring cup with a pouring lip if needed. Add tea tree, peppermint, and lavender essential oils. Replace spray cap and swirl to combine ingredients. Spray into shoes when needed to kill the bacteria that calls your shoes home
