## **The Peaceful Great Outdoors!**

### **Ultimate Happy Camper Spray**

10 Drops Purification Essential Oil  
10 Drops Eucalyptus Radiata Essential Oil  
10 Drops Lavender Essential Oil  
10 Drops Peppermint Essential Oil  
10 Drops Geranium Essential Oil  
Distilled Water  
2 oz Glass Spray Bottle

Add the Essential Oils into the spray bottle and fill with water. Then put on spray bottle top. Shake well before each use. Spray onto your body when outside. I have also been using this in my garden. I spray it around the base of each plant every couple of weeks. Fingers crossed the Japanese Beetles have been staying away.

### **Happy Pets Spray**

5 Drops Peppermint Essential Oil  
5 Drops Tea Tree Essential Oil  
5 Drops Rosemary Essential Oil  
Distilled Water  
2 oz Glass Spray Bottle

Add Essential Oils into the spray bottle and fill with water. Then put on the spray bottle top. Shake well before each use. Spray onto your pet when outside. *Note:* The oil to water ratio is decreased from human usage. Pets are very sensitive. Even if your pet has a thick coat, they have more hair follicles making it easier for oils to be absorbed into their skin.
