Diffuser Recipes:

Citrus Explosion Blend

I love diffusing citrus blends when we have company coming over. It makes my house smell happy and clean.

1 drop lemon essential oil

1 drop lime essential oil

2 drops orange essential oil

1 drop grapefruit essential oil

Bug Repellent Blend

This combo isn't one that I'd necessarily wear as perfume, but it contains a collection of oils that most creepy-crawlies dislike:

1 drop Lemongrass essential oil

1 drop eucalyptus essential oil

1 drop thyme essential oil

1 drop basil essential oil
